ABOUT US

Empowering Communities Through Skills

Boafowe Skills Training Centre is a registered vocational training institution in the Biakoye District of the Oti Region, Ghana. Founded by Albert Alidjah — a Ghanaian development professional based in Germany — the Centre bridges international expertise with local community needs.

Our Mission

To provide accessible, practical vocational and entrepreneurial training that equips individuals — particularly youth and women — with skills, knowledge, and confidence to create sustainable livelihoods.

Our Vision

To be a leading centre of skills development in the Oti Region, recognised for producing capable, self-reliant graduates who drive community prosperity.

> *"Skills are the most enduring investment we can make in a community. When people have a craft, they have dignity, income, and the power to lift others."*
>
> — Albert Alidjah, Founder
